ANOTHER TEXAS WONDER.

#### STUTTERING CURED.

This wenderful discovery is attracting oil guidness of Bounneys and many are coming bundreds of miles to there wonderful Voice Duct is from Louis, who are actually caring the most inveterate stutterers in a few days' time. Post realers will remember reading in The Post and leading papers of the State, both religious and secular, about the wonderful success that Drs. Randolph and McCallough had in curing stammering in Dullas last winter. Many letters were published from those who had been cured for weeks. These noted specialists came to Texas well recommended from governors, preachers and physicians as well as from the press. And we do house that every stutterer in Texas will come and get cured at one. We are located at 716 Main Street, Houston, Texas.

FOUND DEAD IN A HALL.

Malcolm J. McRae, Janitor at the Cale-donian Hall, Found Dead There. Malcolm J. McRae, janitor at the Cale donia hall on Texas areane, was found dead in the hall yesterday afternoon by Peter Chalmers, the president of the so clety. The condition of the body indicated that life had been extinct for several hours. Anis had attacked the corpse in numbers and the victous insects had badly scarred the face, neek and other exposed pertions of the body.

Justice Matsch inquested the remains and his vardict was to the effect that death was due to an overdose of morphise, but not taken with suicidal latient. Mr. Chalmers, who first discovered the body, testing before the caroner that he had been looking for deceased several days, having missed him from his accustomed resorts. The witness states that he rarries the keys to the hall wifere the body was found, and that on opening the deer he found the dead man near the entrance.

The hody was cabalmed at Ross & Weight, undertakers, and a sister living at Ann Arbor, Mich, being notified by wire, replied instructing that the bady he burded in Glenwood. The funeral will take place tomorrow afternoon at 5 octobek under the auspeies of the Caledonian socioty. Deceased was about 28 years of age, with no relatives living in Houston. that life had been extinct for several

Central Christian Church Revival. . Rev. E. W. Brickert, who has been con ucting a meeting at the Central Chris ian church, having received an imperative ill to return home, closed his meeting last At the close of the services a call cas made for an offering to clear off some bredness of the church and in a fountees about \$600 was raised,
this connection Mr. Brickert and the gregation beg to express their thanks the city press in general and to The tespecially for the many courteales

en, to meetings at the Central Christian ch will continue right on under the example of Rev. A. F. Sanderson of kuk. Iowa, who has been wired for and will all the pulpit Sandar morning. Sanderson is one of the atrengest chers in the country.

#### An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF Figs, manufactured by the California Fig Syrup Co., illustrate the value of chaining the liquid laxa-tive principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and sub-stance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the California Fig Symur Co. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package.

#### THE WEATHER HAD EFFECT

Wheat Fluctuated on Different Reports from Producing Districts.

MARKET WAS GIVEN A STRONGER TONE

And Prices Were Offered that Tempted Sellers-Corn Was Firm and Oats Active.

Chicago, May 31,-Toe weather constitut most porent factor in today's wheat market, July wheat closing tec higher, July orn closed the higher; July cars the lower

and provisions from a stade to 5 lower. Firm cables and reports of had weather conditions in the West gave the wheat man ket a strong tone and the July deliver, pened 465% timproved at 745-5745-6274%. There figures tempted a considerable num-ber of sellers, chiefly of the professional class, and there was a nearly decline to 74%, where the market stradled and fluctuated narrowly until the middle of the sealon, when active covering of shorts caused a reaction which prevailed until the high a reaction which provailed until the high price of the day, 74%, was recorded. This acute advance was induced largely by new reports of damage by Hessian fly and further stories of drouth in sections where rain is badly needed. Later authentic advices were that while some damage and been suffered it was not widespread and as a result there was a big increase in the effectings and the market declined to 74%. After this period of profit taking, buying was remewed and the close was firm and 5 higher at 74%,974%.

receipts were moderately in wheat, the dry weather influence. July opened un-nigher at 44%01440, benefitchanged to 's higher at 44%01412, benefiting by the strength in wheat. A fair outside demand developed and the price improved early to 44%, where it steaded. Later the export demand, which was ef moderate degree, induced a further advance to 44%06444, whereat a period of liquidation was inaugurated and a reaction to 44% followed. The close was steady to ligher at 44%, followed. The close was steady to ligher at 44%, followed. The close was steady to ligher at 44%, followed. The close was steady to ligher at 44%, followed. The close was steady to light a first long to the provision business was on a small scale with a small decline in prices on leading commodities as the net result. Pork closed light in the stand of lower and rites a single leaver.

commodities as the net result. Pork closed 21st lower; land 5c lower and rits a shade lower.
